

# It's All About The Pedigree

# DECASH

The best bred Paint sire in the USA!

*Pedigree, performance and looks... Decash has what it takes to make a Paint racing sire.*

This colorful tobiano stallion is a champion Paint runner whose sire, Real Easy Cash, was also a champion. Plus, Decash descends from some of the finest Quarter Horse racing bloodlines, including Fredricksburg, Quarter Horse racing's leading first-crop sire of 2009.

Like his sire, Decash won the rich Masterpiece Derby at Los Alamitos, and he was voted APHA's Champion Running Three-Year-Old Colt of 2006. Real Easy Cash got off to a quick start as a sire and ranks high on the list of lifetime leading sires by earnings, despite the fact that he now stands in Brazil. Given the depth of his family tree, Decash could ultimately surpass his sire as a Paint stallion.

Decash's dam, Deelish, is a World Champion Quarter Horse and earner of more than \$600,000, and she is by First Down Dash, the all-time leading Quarter Horse racing sire. All of Deelish's bottom-side dams are proven runners and producers.

Deelish is a 3/4 sister to deceased champion Fredricksburg, whose first foals are just two-year-olds of 2009. Already, he has sired many top runners, including Ruidoso Futurity winner First Klas Fred. Deelish is also the granddam of Tf Ms Special Perry, winner of the \$214,700 Firecracker Futurity at Delta Downs in 2009.
