RA-000. Racing Rules and Regulations

- A. **RECORD KEEPING.** The APHA is cognizant of the importance of keeping accurate records of the performance of American Paint Horses participating in races recognized by APHA. The APHA has adopted the format and basic racing regulations of the American Quarter Horse Association, including the current AQHA speed index system for rating horses with certain modifications. However, in all cases the APHA Racing Rules and Regulations will take precedence.
- B. **RACING COMMISSIONS.** The APHA does not intend for these rules and regulations to conflict in any way with state laws in regard to racing. In cases where these rules are in conflict with state laws, if any, the rules and regulations of the duly authorized racing commission shall take precedence.
- C. **RECOGNITION OF RACE RESULTS.** APHA will accept race results that include American Paint Horses in their Races. Only results of races from tracks under the supervision of the state, provincial or national racing commission or other recognized turf governing body will be accepted for recognition by APHA.
1. Races will be recognized in which all horses competing are registered with the American Paint Horse Association.
 2. Races will also be recognized in which an American Paint Horse competes with a horse registered with the following breed associations: Quarter Horses registered with the American Quarter Horse Association, Thoroughbreds registered with The American Jockey Club, The Canadian Jockey Club or The Mexican Jockey Club as well as horses registered with the Appaloosa Horse Club.
 3. A race will not be recognized in which a two-year-old competes against older horses.
 4. The American Paint Horse Association acknowledges that tracks and/or sponsors from time to time write stakes race conditions that restrict some horses registered with the APHA from competing.
 5. A Race results chart and an official program shall be filed with APHA following each day's racing by fax, on-line computer transmission or express delivery. The race results chart should include all of the necessary information to produce past performance lines. The official program should include conditions of the races, distances, names of the horses in each race, post positions, color, sex, age, breeding, owner, trainer, jockey and weight carried.
 6. Unless otherwise specified in the Official APHA Rule Book, the APHA recognizes and requests adoption by Racing Jurisdictions of the "Model Rules for Flat Racing" recommended by the North American Pari-Mutual Regulators Association (NAPRA) and/or the Association of Racing Commissioners International, Inc. (RCI).
 7. A videotape of all stakes races (including restricted) with a purse of \$15,000 or more shall be provided to APHA.
 8. An American Paint Horse may not earn a speed index or achieve Register of Merit at a distance exceeding 870 yards (795.5m) or around more than one turn; however, such races will be listed on the participating horse's race record.
 9. In cases of questionable times reported from tracks where the per-

formance records indicate possible error, issuance of Register of Merit certificates and acceptance of the time and speed index as official is to be withheld until the race is reviewed by APHA.

10. Any commission or breed registry ruling involving horses registered by APHA or affecting personnel engaged in American Paint Horse racing shall be filed with APHA unless the fine is less than \$500 or the suspension is less than 90 days.
11. If the laboratory report on the chemical analysis of the urine or other specimen taken from a horse indicates the presence of a forbidden drug or medication and the horse is isqualified, the horse shall receive no official speed index or racing points for having started in the race.

D. REGISTRATION REQUIREMENTS FOR STAKES RACES. To establish eligibility to participate in stakes races, *all horses foaled on or after January 1, 2013*, must meet the following requirements:

1. *Regular Registry Horse - must have at least one APHA Regular Registry Paint Horse in the 1st generation.*
2. *Solid Paint-Bred Horse - must have at least one APHA Regular Registry Paint Horse in the 1st generation and must have at least one APHA Regular Registry Paint Horse in the 2nd generation.*

RA-010. Speed Index and Racing Points

A. SPEED INDEX.

1. The American Paint Horse Association uses the current Speed Index System developed and adapted from the American Quarter Horse Association. The APHA also uses the track records recognized by the AQHA in establishing Speed Index ratings. At a track where the track records recognized by the AQHA are faster than the Minimum Track records, that track's AQHA recognized track record shall be used in compiling Speed Index ratings. At tracks where the track records recognized by the AQHA are slower than Minimum Track Records, the Minimum Track Records shall be used to compile Speed Index ratings.
2. Horses starting at tracks eligible for recognition by the APHA for the first time, will receive Official Speed Index ratings compiled on the basis of track records established during the approved races or meet, or by using the Minimum Track Records, whichever may apply. Ratings obtained at such tracks, however, shall be subject to review and revision by the APHA Racing Committee.
3. If a horse should be disqualified, he will receive Speed Index and points based on time awarded him by the stewards.
4. Should a horse carry less than 120 lbs. (54.4311kg) in a race, 1/10 of a second will be added to the official time for each four pounds, or fraction thereof, less than 120 lbs (54.4311kg).

B. RACING PERFORMANCE POINTS. Racing points will be awarded according to conditions of the race and order of finish for all races recognized by APHA which will include unofficial and hand-timed races.

1. Starter allowance and optional claiming races are considered in the same category as claiming races, based on claiming and optional claiming price.
2. Should a dead heat occur, all horses involved will receive the same points based on the place for which they dead-heated; all other horses will receive points based on their actual finish.
3. A disqualified horse will receive points according to its final placement.

4. Horses participating in match races or races with less than five (5) horses on the race card will receive no race points.
5. The final decision as to which category a race shall be placed will be made by APHA's Racing Department.

RA-020. Enhancement of Penalty Rule

- A. Without necessity of referral or recommendation by stewards, to enhance penalties and sanctions, APHA reserves the right to independently direct disciplinary action or sanctions against individuals coming under APHA recognition by their participation in American Paint Horse racing conducted under the provisions of the APHA Official Rule Book and regulated by duly authorized state racing commissions, the results of which are accepted by APHA, in regard to the following matters:
1. Positive lab results involving classified narcotics or drugs restricted from administration to horses entered to race;
 2. Possession of electrical devices in the course of a recognized race;
 3. Racing a ringer for fraudulent purposes; and
 4. Multiple offenses for the same ownership. Such procedure will be conducted according to Rule GR-070. Individuals may be suspended from membership and horses owned, trained and/or ridden by such individuals may be suspended from participation privileges in APHA-approved events.

RA-030. Horse Ownership

- A. **OWNERSHIP.** Horses entered in races shall be entered under the ownership of the record owner as shown on the registration certificate.
- B. **CLAIMING.** For information on transferring horses claimed in claiming races (See Rule RG-135. N.)
- C. **LEASES.** Horses racing under lease arrangements will be carried under the ownership of the lessee, providing the lease has been previously filed and recorded with APHA.

RA-040. Tattoo Identification Requirements and Parentage Verification

- A. **TATTOO IDENTIFICATION.** American Paint Horses participating at tracks, the results of which are recognized by APHA, require tattoo identification as following: Tattoo Identification: Unless otherwise stipulated by the responsible turf governing body, every horse registered with APHA, prior to participating in a race shall be identified and branded with a tattoo number on the upper lip by an APHA authorized tattoo technician. Refer to Rule RG-095 for rules pertaining to age determination by tooth examination and ineligibility to compete, if age shown by teeth does not correspond with age shown on registration certificate. The official tattoo identification number shall be affixed on the horse's registration certificate, filed with APHA, and become part of the identifying markings of said horse. The fee for tattoo identification by an APHA authorized tattoo technician is payable at the time of tattoo identification (see fee schedule in front of rule book).
1. APHA's tattooing of an identification number on a horse is another manner of identification only, and, in no event constitutes a waiver by APHA of its privilege to correct and/or cancel a registration certificate for cause under APHA's rules and regulations, which is the express condition of its issuance as noted on the face of the certificate.
- B. **PARENTAGE VERIFICATION.**
1. All horses foaled on or after January 1, 2000, shall be parentage verified through genetic testing by DNA by written analysis from a laboratory approved by the Association and filed with the Association before their first official start, regardless of the type of race. The horses' registration certificate shall be issued or reissued with the appropriate designation, "parentage verified". All 2003 foals and thereafter must be parentage verified before they are tattooed.

2. All parentage verification must be coordinated through the APHA Field Services Department. Forms listing the appropriate fees are available through APHA.
 3. Any horse which cannot be parentage verified due to the death or foreign export of the sire and/or dam, may apply to the APHA Executive Committee by written application for consideration of a hardship exemption to required parentage verification.
- C. **REFUSAL TO COMPLY.** Refusal by an owner of sire, dam or foal to comply with the requirements of genetic testing, parentage verification, and/or tattoo identification, shall automatically disqualify such horse from participation in racing at tracks, the results of which are recognized by APHA, until such time as compliance with said request, and may be grounds for possible disciplinary action by APHA.

RA-050. Stakes Races

- A. A Stakes Race is a race in which stakes of \$50 or more are posted by the owners of the participating horses and is still a stakes race when money or other prizes are added. In addition, no race with a purse of less than \$5,000 will be considered a stakes race. Match races shall not be eligible for stakes recognition. However, an invitational stakes race or an invitational handicap race for which owners do not contribute to the purse, but which is advertised in the regular stakes program, shall also be considered a stakes race, provided it carries a minimum purse of \$5,000 or more. Nominations must close more than forty-eight (48) hours before time for the first race of the day on which such stakes are to be run..
- B. Restricted Stakes Races are those races that restrict entries so as to exclude horses of the same class that would otherwise be eligible to enter, such as but not limited to, progeny races, one APHA-registered Paint parent races, state bred races, state foaled races, entries limited to those horses sold in a particular sale. The results of these races including monies earned and speed indexes shall be entered in the horse's permanent race records.

RA-060. APHA Racing Recognition Program

- A. **RACING REGISTER OF MERIT.** Racing Register of Merit can be achieved by obtaining a speed index of 80 or higher. A speed index will only be awarded for approved electric times at recognized distances up to 870 yards (795.5m). Standard distances for qualification of Register of Merit are 220 (201.17m), 250 (228.6m), 300 (274.3m), 330 (301.8m), 350 (320m), 400 (365.8m), 440 (402.3m) and 550 yards (502.9m); standard distances for qualification of Register of Merit around one turn are 660 (603.5m), 770 (704m) and 870 yards (795.5m). Should a horse receive no speed index due to a hand-time caused by the malfunction of the electric timer; and the time would have resulted in a speed index of 80 or higher; and the hand-time is certified by track stewards, the owner of the horse may appeal to APHA for designation of the horse as a Register of Merit qualifier. Upon request, a Register of Merit certificate will be furnished to the recorded owner at time the Register of Merit is earned.
